

Introducing

KIT+

Birthing Kit
Foundation
Australia

We have been listening to our supporters and know that many of you are seeking opportunities to remain connected and involved with our work. As part of our goal to reach a further 1.5 million people by 2021, we are excited to introduce KIT+, a new way that you can help build a better world for women and girls. Maternal and newborn health will always be a priority for BKFA. However, the next chapter in these women's lives is just as important. As the world changes, the way we impact the lives of women and girls must also change. When you pledge support as a KIT+ partner, you will be helping females in remote communities around the world to realise education, employment and economic empowerment.

EDUCATION+

Improve girls' access to education and create opportunities for them to become confident and innovative learners for
\$25 per month

EMPLOYMENT+

Support young girls to be future employees of choice and upskill the next generation of small business owners for
\$40 per month

EMPOWERMENT+

Assist women to establish their own businesses to generate income for themselves and their family for
\$60 per month

JOINING KIT+ IS EASY

Visit our website to set up a monthly donation of \$25, \$40 or \$60 per month and BKFA will direct your donation to our KIT+ priority areas.

KIT+ partnership is tax deductible.
