

# CELEBRATE 20 YEARS OF THE BKFA WITH MOTHER'S MAY

To celebrate 20 years of the Birthing Kit Foundation Australia, we will be holding a National Assembly Event over the month of May 2026.

We aim to pack 20,000 clean birth kits across the country during May to acknowledge this milestone. If your club is looking to pack kits around this time, please consider holding your event during May and being part of this special event.
